ABSTRACT.

Labour - Workmen's Compensation Act - Disposal of cases - Time limit prescribed,

A DEVELOPMENT DEPARTMENT.

G.O.Ms.No.2500

Dated: 12.6.1952.

Read the following:-

From the Commission of Workmen's Compensation
C-No.15085/52 dated 14.4.52 and 21.5.52.

ORDER:

The Government have had under consideration the question of avoiding delays in the disposal of cases under the workmen's compensation Act, and have now decided that a time limit of 3 months be fixed for disposal of applications under the Act. They hope that fixation of this limit will have the effect of making officers more precisely concerned to dispose cases quickly. Cases delayed beyond that period should be reported quarterly with reasons, to the Commissioner of Labour. The Commissioner is requested to forward to Government a copy of the quarterly statement with his remarks on each case by the 15th of the month following the quarter.

/By Order etc./

To

The Commissioner for Workmen's Compensation.
